

## VISION 2000 Primary Goals & Objectives

- ◆ Provide state of the art student-centered programs in an atmosphere of high expectations
- ◆ Work diligently to close the achievement gap in math and reading
- ◆ Establish an environment of winning and succeeding
- ◆ Serve as an advocate for students and their families

- ◆ Combine visionary leadership with state standards and research based instruction
- ◆ Match the experiences of each child's temperament and needs to appropriate staff

- ◆ Tutoring ends

**Please see Vision 2000  
staff for additional  
Information  
Or call  
916-752-9696**

## Major Program Components

- ◆ **STRENGTHEN SKILLS:** Using reading & mathematical problem-solving concepts, and strategies, teachers will work with students to strengthen skills for application, math reasoning, reading comprehension and word recognition.

- ◆ **MATH FOCUS AREAS:** National/California State Math standards, New McGraw-Hill Series, Prentice-Hall, Accelerated Math, Rigor & Relevance Frameworks, Math Boards and the Algebraic Process.

- ◆ **LANGUAGE ARTS FOCUS AREAS:** Students will master reading and writing skills, utilizing National/CA State ELA standards to complement fluency, phonemic awareness, word analysis & other key strategies using: Measuring Up, Open Court and Write Tools.

- ◆ **ELIGIBILITY FOR ENROLLMENT:** The Vision 2000 College Prep Math & Reading Academy is open to Kindergarteners and all other students in site-specific schools.

### **COLLEGE PREP MATH & READING ACADEMY is noted for its:**

- ◆ Proven academic results
- ◆ Data driven benchmarks
- ◆ Test-taking strategies
- ◆ Standards & research based instruction
- ◆ Student/Teacher ratio: 12-1
- ◆ Full array of materials & supplies
- ◆ Incentives & awards
- ◆ No Excuses!

*"The Math & Reading Academy is an incredible opportunity to target students who typically struggle in the classroom."*

*Mark, 5th grade teacher*

### **Teachers and Staff**

The teachers and staff of the College Prep Math & Reading Academy, and VISION 2000 are:

- ◆ Passionate about their students and their subjects
- ◆ Fully credentialed
- ◆ Bilingual and diverse
- ◆ Committed to Excellence in Education
- ◆ Respectful of parents and knowledgeable about students' backgrounds, cultures and learning styles
- ◆ Good listeners with high expectations who understand the value of relationship building and teaming with parents
